1. **Play free games.** There are plenty of great games available for free, both online and offline. Some of our favorites include Fortnite, Apex Legends, and Rocket League.
2. **Buy used games.** Used games are a great way to save money on your favorite titles. You can find used games at your local game store, online retailers like Amazon, or even garage sales.
3. **Rent games.** If you're not sure if you'll like a game, renting it is a great option. You can rent games at your local game store or online retailers like GameFly.

4. **Join a game sharing group.** Game sharing groups are a great way to share the cost of games with friends. You can find game sharing groups on social media or online forums.
5. **Play online multiplayer games.** Online multiplayer games are a great way to connect with friends and have some fun without spending any money. Some of our favorite online multiplayer games include Minecraft, Overwatch, and Valorant.
6. **Create your own games.** If you're feeling creative, you can create your own games using free tools like Game Maker Studio 2 or Unity. Creating your own games can be a lot of fun, and it's a great way to learn about game design.
7. **Mod your favorite games.** Mods are a great way to add new content and features to your favorite games. There are mods available for all sorts of games, from Skyrim to Minecraft to Grand Theft Auto V. Modding your games can be a fun and rewarding way to extend their lifespan.
8. **Play indie games.** Indie games are often much cheaper than AAA games, but they can be just as fun and engaging. Some of our favorite indie games include Celeste, Stardew Valley, and Hollow Knight.
9. **Look for sales.** Game sales are a great way to save money on your favorite titles. You can find sales at your local game store, online retailers, and even on the PlayStation Store or Xbox Live.
10. **Buy games in bundles.** Game bundles are a great way to get multiple games for a discounted price. You can find game bundles on websites like Humble Bundle and Fanatical.

11. **Use gift cards.** Gift cards are a great way to save money on games. You can buy gift cards at your local game store or online retailers like Amazon.
12. **Enter contests and giveaways.** Contests and giveaways are a great way to win free games. You can find contests and giveaways on social media, online forums, and even in magazines.
13. **Watch gaming videos.** Watching gaming videos is a great way to stay up-to-date on the latest games without spending any money. You can watch gaming videos on YouTube, Twitch, and other video sharing websites.
14. **Listen to gaming podcasts.** Listening to gaming podcasts is a great way to learn about new games and hear from the developers who make them. You can find gaming podcasts on iTunes, Spotify, and other podcast listening apps.
15. **Read gaming magazines.** Reading gaming magazines is a great way to stay up-to-date on the latest games and industry news. You can find gaming magazines at your local newsstand or online retailers like Amazon.
16. **Follow gaming websites.** Following gaming websites is a great way to stay up-to-date on the latest games and industry news. Some of our favorite gaming websites include IGN, GameSpot, and Kotaku.
17. **Join gaming communities.** Joining gaming communities is a great way to connect with other gamers and share your love of games. You can find gaming communities on social media, online forums, and even in person at your local game store.

18. **Attend gaming events.** Attending gaming events is a great way to meet other gamers and try out new games. You can find gaming events at your local game store, convention centers, and even online.
19. **Support indie game developers.** Supporting indie game developers is a great way to help the gaming industry thrive. You can support indie game developers by buying their games, donating to their campaigns, and spreading the word about their work.
20. **Be a responsible gamer.** Gaming can be a great way to relax and have fun, but it's important to be responsible about it. Make sure you're not spending too much time or money on games, and take breaks when you need them.

These are just a few affordable ways to engage in the game. With a little creativity, you can find many ways to enjoy your favorite games without breaking the bank.
