Captain Chawla began his career as a deck officer in the Indian Navy. After serving for several years, he joined the merchant marine and quickly rose through the ranks. In 1995, he was appointed as the master of a large container ship. He held this position for several years, during which time he gained a reputation for his exceptional leadership and safety record.

In 2005, Captain Chawla founded his own ship management company, Chawla Shipping Services. The company quickly grew into one of the

leading ship management companies in India. Under Captain Chawla's leadership, Chawla Shipping Services has developed a reputation for providing high-quality ship management services to clients around the world.

Captain Chawla is a strong advocate for safety in the shipping industry. He has been instrumental in developing and implementing a number of safety initiatives, including the Chawla Safety Management System. This system has been adopted by a number of shipping companies around the world and has helped to improve safety standards in the industry.

In addition to his work in safety, Captain Chawla is also a strong advocate for innovation in the shipping industry. He has been involved in the development of a number of new technologies, including the Chawla Smart Ship. This ship is equipped with a number of sensors and systems that allow it to operate more efficiently and safely.

Captain Chawla is a role model for ship managers around the world. He is known for his dedication to safety, innovation, and excellence in all aspects of ship management. He is a true leader in the shipping industry, and his work has helped to make the industry safer and more efficient.

Captain Chawla's Awards and Recognition

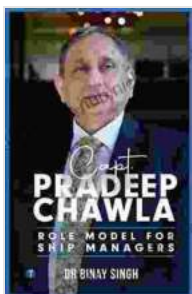

Captain Chawla has received numerous awards and recognition for his work in the shipping industry. These awards include:

- The Lloyd's List Global Awards for Excellence in Ship Management (2016)

- The International Maritime Organization (IMO) Award for Excellence in Maritime Safety (2015)
- The Indian Maritime Awards for Excellence in Ship Management (2014)
