Eleanor of Aquitaine: A Powerful Queen and Patron of the Arts

Eleanor of Aquitaine (1122-1204) was one of the most influential queens in English history. She was the wife of two kings, Louis VII of France and Henry II of England, and played an active role in both kingdoms. Known for her intelligence, charisma, and political acumen, Eleanor was a patron of the arts and a supporter of troubadours. She established the court of love at Poitiers, which became a center for intellectual and artistic exchange.

Isabella of France: A Scheming Queen and a Power Behind the Throne

Isabella of France (1295-1358) was the wife of Edward II of England. A beautiful and ambitious queen, Isabella was said to have had a strong influence over her husband. She became involved in a plot to overthrow Edward, leading to his deposition and execution in 1327. Isabella ruled as

regent for her son, Edward III, until 1330. She continued to play a role in politics, but her reputation was tarnished by her involvement in Edward II's death.
