Guha was born in Dehradun, India, in 1958. He studied history at St. Stephen's College, Delhi, and then at the University of Cambridge. After completing his studies, Guha taught at the University of California, Berkeley, and the London School of Economics. In 1998, he returned to India to become a professor at the Indian Institute of Science, Bangalore.

Guha's first book, *India After Gandhi*, was published in 1983. The book examined the history of India since independence in 1947. Guha argued that India had made significant progress in the years since independence, but that it still faced many challenges. The book was widely praised for its clarity and objectivity.

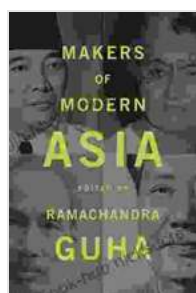

Guha's second book, *Gandhi Before India*, was published in 2014. The book examined the life of Mahatma Gandhi, the leader of the Indian independence movement. Guha argued that Gandhi was a complex and contradictory figure, but that he was ultimately a force for good in the world. The book was also widely praised for its clarity and insight.

In addition to his books, Guha has also written extensively for newspapers and magazines. He is a regular contributor to *The Hindu*, India's leading English-language newspaper. Guha has also written for *The New York Times*, *The Guardian*, and *The Times Literary Supplement*.

Guha is a gifted writer and historian. His work has helped us to understand the complexities of modern India. He is a true "maker of modern Asia."
