The Substitute Teacher's Guide to Classroom Management

This cartoon perfectly sums up the feeling of being a substitute teacher. You walk into a classroom full of strangers and are expected to manage their behavior and keep them on task. It's a daunting task, but with a little humor, you can get through it.

The Substitute Teacher's Guide to Lesson Planning

LEVEL	TEACHER	DATE
<h1>SUBSTITUTE PLANS</h1>		
OPENING NOTES		
Use this area for greetings, specials notes, and any other information your substitute will need at the start of the day.		
PERIOD	INSTRUCTIONS	
1	← Change the Class Period numbers as needed (e.g. if you have 45 min periods)	
2	Type in your directions for the substitute here. Specify for each course in the boxes below.	
3		
4		
5		
6		
7		
ADDITIONAL NOTES		
Use this area for any special tasks.		

Lesson planning is another challenge that substitute teachers face. You often have to work with a bare-bones lesson plan or none at all. This can be frustrating, but it also gives you the opportunity to be creative and come up with your own activities.

The Substitute Teacher's Guide to Student Interactions

Student interactions can be the most challenging part of substitute teaching. You have to deal with students of all ages and abilities, and they don't always want to cooperate. But with a little patience and understanding, you can build rapport with your students and create a positive learning environment.

The Substitute Teacher's Guide to Classroom Emergencies

Classroom emergencies are rare, but they can happen. It's important to be prepared for anything, from a fire to a medical emergency. By knowing what to do in an emergency, you can help keep your students safe.

The Substitute Teacher's Guide to the End of the Day

The end of the day is always a relief for substitute teachers. You've made it through another day of teaching, and you can finally go home and relax. But before you go, take a moment to reflect on your day. What went well? What could you have done better? By reflecting on your experiences, you can become a better substitute teacher.

Substitute teaching is a challenging but rewarding profession. It's a chance to make a difference in the lives of students, and it's also a lot of fun. If you're thinking about becoming a substitute teacher, I encourage you to give it a try. You may just find that you love it.
