Mary Prince was born into slavery in Bermuda in 1788. She was sold to a plantation owner at the age of 12 and subjected to years of physical and emotional abuse. In 1827, she escaped to England and published her autobiography, *The History of Mary Prince, a West Indian Slave*.

Prince's autobiography was a groundbreaking work. It was one of the first published accounts of slavery written by a former slave. It exposed the

horrors of slavery and helped to galvanize the abolitionist movement in Britain.

William Brown

Lucretia Mott

Lucretia Mott was born into a Quaker family in Massachusetts in 1793. She became a vocal abolitionist in the 1830s and was a key figure in the women's rights movement.

The Freedmen of Lucretia Mott

Lucretia Mott and her freedmen, who lived and worked on her farm in Pennsylvania

In 1847, Lucretia Mott purchased a farm in Pennsylvania and invited a group of freedmen to live and work on it. The freedmen were former slaves who had been emancipated by their owners or had escaped to freedom.

Mott's freedmen were given the opportunity to learn new skills, earn a living, and raise their families in a free and safe environment. They were also active in the abolitionist movement and helped to raise money and support for fugitive slaves.

A Legacy of Resistance and Hope

The stories of Mary Prince, William Brown, and the freedmen of Lucretia Mott are a reminder of the horrors of slavery and the resilience of those who fought for freedom. Their lives are a testament to the power of hope and the importance of never giving up on the dream of a better future.
