Welcome to View From Broad, a platform that offers a diverse range of insights, opinions, and perspectives on business, technology, and personal growth. Our mission is to provide thought-provoking content that challenges conventional wisdom, sparks new ideas, and helps our readers make informed decisions about their lives and careers.

We believe that everyone has a unique perspective to share, and we welcome contributions from all walks of life. Our team of expert contributors includes business leaders, entrepreneurs, investors, technologists, academics, and thought leaders. Together, we cover a wide range of topics, including:

- Business strategy and innovation

- Emerging technologies and their impact on society
- Leadership and management
- Personal finance and investing
- Career development and job search
- Health and wellness
- Travel and culture
- And much more

Our Values

At View From Broad, we believe in:

- **Intellectual Curiosity:** We are always seeking new knowledge and perspectives, and we encourage our readers to do the same.
- **Open-mindedness:** We believe that there is always more than one way to look at a situation, and we welcome diverse opinions.
- **Critical Thinking:** We encourage our readers to think critically about the information they consume, and to challenge their own assumptions.
- **Community:** We believe that sharing knowledge and ideas is essential for growth, and we foster a vibrant community of thought leaders and engaged readers.
- **Excellence:** We strive to produce high-quality content that is informative, engaging, and thought-provoking.

Our Approach

Our approach to content creation is unique in several ways:

- **We focus on original research and insights.** Our team of expert contributors conducts original research and analysis to provide our readers with unique perspectives on the latest trends.
- **We take a multidisciplinary approach.** We believe that the best insights come from combining different disciplines. Our contributors come from a variety of backgrounds, including business, technology, finance, psychology, and sociology.
- **We use a variety of content formats.** We publish articles, essays, interviews, videos, and podcasts to reach a wide range of audiences.
- **We encourage reader participation.** We welcome comments and feedback from our readers, and we often engage in lively debates on our social media channels.

Our Impact

Since our launch in 2015, View From Broad has become a leading source of insights and inspiration for business leaders, entrepreneurs, investors, and thought leaders around the world. Our content has been featured in major publications such as The Wall Street Journal, Forbes, and Harvard Business Review. We have also been recognized for our innovative approach to content creation, winning several awards, including the Folio: 100 Award for Best Digital Magazine.

We are proud of the impact that we have made on our readers. Our content has helped them to:

- Make better business decisions

- Stay ahead of the curve on emerging technologies
- Develop their leadership skills
- Manage their finances wisely
- Advance their careers
- Live healthier and more fulfilling lives
