

# Zulu Conquered: The March of the Red Soldiers 1822-1888

The Zulu Kingdom was a powerful empire in Southern Africa that rose to prominence in the 19th century. The Zulu people were known for their fierce warriors and their ability to adapt to new technologies. In the 1820s, the Zulu began to expand their territory, and by the 1840s they had conquered much of the region.

In 1822, the Zulu began to come into contact with European settlers. The British and the Dutch had established colonies in the Cape Colony, and they were eager to expand their territory. The Zulu initially resisted the Europeans, but in 1840 they were defeated by the British in the Battle of Blood River.
